GRADED-IN PROGRAM

The fabric collections listed below have been graded in to Fairfield's textile program. All fabric and patterns are subject to availability from the fabric vendor. Certain circumstances may affect stock and delivery. These suppliers reserve the right to discontinue any pattern or color from their libraries. The selections offered in this program have been pre-approved for application on Fairfield products. This pre-approval does not in any way indicate warranty, guarantee, or responsibility of Fairfield with regards to the appearance, behavior, durability, or quality of the fabric.

Fairfield reserves the right to apply these materials at our direction, unless specifically instructed by the buyer on the original purchase order. If specific instructions are requested please submit a graded-in instruction form found on page 2.

If a textile from the graded-in program is desired, but the buyer wishes to order directly, please refer to the C.O.M. policies found in the current Fairfield price list. If you choose to order fabric direct from the fabric vendor, please fill out the C.O.M. form rather than the F.O.M. form. This form can be located in the current Fairfield price list.

For any pattern not listed, please contact Fairfield or your Fairfield representative for pricing grade. Once the grade is determined, please refer to the current Fairfield price list for pricing. Please specify vendor name, pattern and color on your purchase order. **An order cannot be processed without proper identification of the fabric.**

TO VIEW OR ORDER SAMPLES: To view patterns and color ways or to order memo samples, please see specific vendor information listed below:

If cancellation is approved it will be subject to a cancellation fee. In some cases, a deposit or full payment may be required before Fairfield places an order for the fabric.

Grades subject to change without notice.
